NO. 67.

## AND CERTAIN BE LINE WITH QUEDUCT WORK

of Four Routes Favored  
Project Include This  
District

HED IN FIVE YEARS

Keelen Pictures Value of  
Object; Regrets City's  
Policy

uction of an aqueduct 15  
diameter through this dis-  
ing a route yet to be de-  
etermined was virtually  
today by the announce-  
at the Metropolitan Water  
had excluded all but four  
routes for the water line.  
of the routes still being  
ed definitely include Up-  
other parts of the coun-  
estimated that the ex-  
in the county will  
to approximately \$100,000,  
d one of the three pro-  
recommended in the final  
report.

Done in Five Years

Keelen, government rep-  
e, whose home is here,  
is forced to be in many  
the west and at Washing-  
C., expressed confidence  
in five years water would  
through the aqueduct  
the Colorado river dam.

ctors of the Metropolitan  
district expect to have the  
ready by the time the  
ent starts generating pow-  
er dam," he explained.  
construction will undoubt-  
art as soon as a definite  
selected.

laced Underground

queduct will be in a tun-  
ement will be the mater-  
according to the official.  
construction of the pro-  
ugh the county would  
employment of hundreds  
and the expenditure of  
um, Mr. Keelen explained.  
lined in The Upland News  
the consulting board of  
reported on four route  
orably and asked for more  
which to make a final re-  
the Metropolitan Water dis-  
to gather data and make  
and submit the material  
engineers within three or  
ths, it is reported.

Five Points Sought

of the four recommend-  
will be directed to as-  
logical conditions.  
essibility to existing  
ation lines.  
imum cost of construc-  
of rights of way.  
imum future safety.  
ard's report declared that  
ever route chosen the  
and power drops be so  
to facilitate the system  
an all-gravity or part-  
esis.

## Stolen From Overturned Truck

are today hunting for the  
ho ransacked the truck,  
Emerson Graves when  
ed on upper Mountain  
riday morning. Three  
an overcoat, hat and  
re taken from the wreck.  
from San Antonio Com-  
pital today were to the  
Graves received a frag-  
h and that the injured  
be in a cast for several

## men Get Report Age Hen Scarcity

sportsmen have receiv-  
at the sage hen, at one  
the most abundant and  
ear of the game birds  
his state, is facing ex-  
in at least a part of

survey of conditions  
and Inyo counties, re-  
pleted, shows that the  
is almost gone in that

conditions in the north-  
of the state were bad  
past spring, and the  
section brought forth  
ung.

## H. C. Ames Is Ranger at Bear Canyon Post

H. C. Ames, who has been in  
charge of the government ranger  
station in the San Fernando moun-  
tains for the past three years, has  
come to Bear canyon, near Camp  
Baldy, to take charge of the sta-  
tion there, succeeding Dr. E. R.  
Son, who has been in charge there  
for four years. Mr. Ames takes  
charge at Camp Baldy tomorrow.  
Mr. Ames is the happy dad of  
a new son, born a few days ago  
in a Los Angeles hospital and  
there mother and babe will remain  
until she is able to come to their  
new home. They also have a young  
daughter.

Dr. Son stated yesterday that he  
is not yet decided just what he will  
do since relinquishing forestry  
work, which he has followed so  
successfully, but he and Mrs. Son  
expect to remain in the mountains,  
at least for the present.

## COMRADES ENJOY DINNER SATURDAY

Civil War Soldiers Guests of  
Mary Brainard Tent at  
Clubhouse

Making hearty response to the  
dinner invitation extended by the  
members of Mary Brainard Tent  
No. 48, Daughters of Union Vet-  
erans of the Civil War, Comrades  
of the G. A. R. gathered at noon  
Saturday at the American Legion  
clubhouse.

The club rooms had been pret-  
tily decorated by the Daughters,  
large red poinsettias predominat-  
ing, though enough white and blue  
flowers were used to give the na-  
tional colors, the red, white and  
blue also being used in the decora-  
tion of the well laden table,  
where an excellent dinner was  
served. During the dinner hour  
delightful music was furnished by  
Miss Marian Short, violinist, ac-  
companied at the piano by Miss  
Bertha Palmer. Mrs. C. I. Linkey  
also delighted the guests with a  
number of vocal solos.

At the conclusion of the dinner  
the comrades enjoyed a camp-fire  
and an interesting impromptu pro-  
gram was given. Commander  
Alois Podrasnik made the principal  
address, speaking on patriotism,  
and he also stressed Upland's need  
of a large patriotic hall.

Several other comrades spoke  
briefly and some time was devoted  
to repartee and the telling of short  
stories, while several of the com-  
rades gave short recitations.

Including the members of Mary  
Brainard Tent, the comrades and  
their guests, a company of 35 en-  
joyed the dinner and the afternoon  
social hour.

The comrades and the guests  
accompanying them were: Com-  
rade Alois Podrasnik and his son,  
William Podrasnik; Comrade J. C.  
Campbell and daughter, Miss  
Mabel Campbell; Comrade F. W.  
Lagrange and daughter, Mrs. C. I.  
Linkey; Comrade George Tucker,  
Comrade F. W. Anderson and Mrs.  
Anderson; Comrade E. M. Rankin  
and daughter, Mrs. Herring, and  
niece, Mrs. Huston; Comrade  
Frank Funkhauser and daughter,  
Mrs. Daley; Comrade W. S. Woods  
and daughter, Miss Hazel Woods;  
Comrades Baldwin, Swick and  
Marsh of Pomona, and Comrade  
L. P. Judson of Claremont.

## Realtors to Invite Bankers to Meeting

In order to bring about a better  
understanding between realty brok-  
ers and realty salesmen on one  
side and bankers and escrow  
clerks on the other, the bankers  
and their employees of the West  
End will be asked to convene at  
an early meeting of the Ontario-  
Upland Realty board.

Discussion concerning conditions  
was held at a meeting of the  
realty board in Hotel Ontario yester-  
day noon and instances were  
pointed out where bankers had  
ruined certain realty deals. Fol-  
lowing the discussion it was decid-  
ed to invite the bankers and escrow  
clerks to meet.

## West End Singers Will Be In Chorus

Several Upland and Ontario  
singers have been selected by S.  
Earle Blakeslee to be in the Zoel-  
ner conservatory chorus, which  
will give a concert February 27.  
Announcement was received this  
week that rehearsals will be start-  
ed at once.

Chief Yowlache and Leon Rice  
will be the soloists in the program.

## BUILDING RECORDS FOR CITY AVERAGE HIGH DURING YEAR

All Conditions Considered,  
Upland Construction Is  
Up to Standard

NATIONAL MARK IS LOW

1929 Sees \$175,578 Figuring  
in New Buildings; De-  
cember Adds \$9100

Considering conditions through-  
out the country, Upland's building  
record during 1929 was above the  
average and is near the top among  
Southern California cities, it was  
revealed today.

Fourteen permits were issued  
during December by the city up to  
late this afternoon the total cost  
of construction being \$9100. Dur-  
ing the year 125 permits were is-  
sued and the 1929 building total  
was \$175,578.

Compared with 1928, the actual  
figures for this year are smaller  
by \$100,000, but throughout the  
United States building activity has  
been behind last year from 35 to  
50 per cent. In Upland the 1929  
building figure is 36 below that of  
a year ago, as figured by Ted C.  
Combs, building inspector.

Mr. Combs explained that a na-  
tional survey has revealed that  
nearly everywhere building pro-  
grams have been curtailed. So a  
comparison of decreases gives Up-  
land a high record, Mr. Combs  
said.

Upland junior high school build-  
ing was constructed last year,  
boosting the 1928 total in one per-  
cent by \$75,000.

An outstanding step forward in  
local building circles was made this  
year when the uniform building  
code was applied to local condi-  
tions, according to Mr. Combs.

## Former Upland Man Dies in Hollywood

Word has been received in Up-  
land of the death of Mark W.  
Shaw, a former well-known citi-  
zen of Upland, who died suddenly  
Friday, Dec. 27, at his home in  
Hollywood.

The Shaw family lived in Up-  
land for several years, owning the  
ranch at Sixteenth street and Euc-  
lid avenue, and Mr. Shaw had  
many friends in this district.

Mr. Shaw is survived by his  
wife, Mrs. Bessie Spencer Shaw,  
two daughters, Miss Dorothy Shaw  
and Mrs. William Lord, and a son,  
M. Kellogg Shaw, all of whom  
were at the family home when he  
died.

Funeral services were held in  
Hollywood Monday afternoon.

Mrs. Wm. C. Allen of Pocatello,  
Idaho, arrived Monday morning to  
visit her sister, Mrs. E. B. Keelen,  
684 East Tenth street. Mrs. Allen,  
who has not fully recovered from  
a recent attack of influenza, be-  
came suddenly ill just after reach-  
ing her sister's home and a phys-  
ician was summoned. She soon  
rallied and today is feeling much  
stronger. She expects to be here  
for several weeks.

## UPLAND, ONTARIO ROTARIANS UNITE

Thursday Meeting in Ontario  
Will See Two Clubs  
Get Together

Upland and Ontario Rotarians  
will mingle in Hotel Ontario  
Thursday noon in the first inter-  
city service club meeting for sev-  
eral years.

While the Ontario club will play  
the part of the host club, the  
Upland Rotarians will present the  
entertainment, with L. R. Bradley  
in charge. Howard Shattuck,  
president of the Ontario club, will  
be honored according to the pro-  
gram now being prepared.

Singing of parodies and popu-  
lar songs will form most of the  
program, the officials seeking to  
make it an occasion of merriment  
rather than a set, formal meeting.

Mrs. William Larkin and chil-  
dren spent part of last week in Los  
Angeles visiting at the home of  
Mrs. Larkin's brother, George An-  
drews. A sister, Mrs. E. N. Hoop-  
er of London, Canada, is visiting  
in Southern California, and when  
Mr. Larkin went after his hooper  
Sunday, he brought Mrs. Hooper  
to Upland with his family.

## Varied Attractions Bring 17 New Families Here in Month

Attractiveness of the city, its  
location, Euclid avenue, Upland  
friends, Euclid college, and hope  
of getting employment have  
brought to this city during De-  
cember at least 17 new families.  
Several of them have purchased  
property, others coming for the  
winter season, and others are in  
California for the first time and  
hope to remain in Upland  
throughout getting employment.

Mr. and Mrs. Sol Steckly and  
four children are here from Bay  
Fort, Mich., this being their first  
trip to California. They like  
the city and the state and ex-  
pect to remain here. Their ad-  
dress is 796 East Ninth street.

Burbank Curtis is living in  
the house formerly owned by  
Mrs. Fern Tolley Bush at San  
Antonio avenue and Twenty-second  
street, the newcomer having  
purchased the property from  
Mrs. Bush, who is now living in  
Ontario. Clyde Portman, who  
recently purchased the house at  
Fifteenth street and Euclid ave-  
nue from Mrs. Nora M. Ellis, has  
moved to Upland and is living  
in his new property.

S. E. Head, who with his wife  
and three children are from Den-  
ver, is acquainted with S. W.

Sprague and it was largely  
through this acquaintance that  
they are in Upland. After be-  
ing in Glendale for several  
weeks, they came here and are  
now living at 358 Sixth avenue.

Mrs. H. R. Kelley and chil-  
dren are back in Upland after  
residing for a time in River-  
side. They formerly lived on  
Twenty-fifth street. Mr. Kelley  
is employed by the Pioneer nur-  
sery, Monrovia, and he makes the  
trip back and forth every day.  
They live at 690 West street.

Myrtle Haniel is here from  
Lindsay, she formerly having  
lived in Ontario. Mr. and Mrs.  
L. T. Jellison have returned to  
Upland from North Dakota and  
are living at 127 West Eighth  
street.

Other new residents in Upland  
and their addresses are R. Wood-  
cock, 443 East Eleventh street;  
J. A. Carter, 445 1/2 Second ave-  
nue; D. E. Wampler, 1923 Sec-  
ond avenue; Harold C. Ames,  
ranger station, Twenty-fifth  
street; Ella M. Draper, Koster  
court; Miss Ivy M. Castle, 338 1/2  
Sixth avenue; T. Q. Bortoff, 459  
East Tenth street; E. M. Denny,  
1812 First avenue, and W. R.  
Hogan, 407 Third avenue.

## MANY SCOUTS SEE FLEET IN ACTION

Upland Group Goes to Harbor  
Friday Afternoon For  
Inspection

Educational and impressive, the  
excursion by Upland Boy Scouts  
and their leaders Friday afternoon  
to the battle fleet out of Long  
Beach is today a topic of conver-  
sation among the groups.

The Scouts and the leaders left  
here about 11 o'clock on Friday  
morning, some leaving from the  
Presbyterian church and some  
from the "Y" hut.

Those in charge of the trip were  
J. Emory Sargent, A. K. Beattie,  
Floyd L. Atwood, A. Bradford  
Whitney, Paul Schowalter, Rich-  
ard G. Manley, D. J. Burlingame,  
Clair E. Kirk and Dave Vashind-  
er.

As complete a list as possible of  
the Scouts making the trip was  
obtained by the scout officials, as  
follows:

Francis Brogan, William Bailey,  
George Foote, Vincent Couch,  
Frank Watkins, Newman Draper,  
Earl Conner, Leon Lamphier, Stan-  
ley Hershey, Martin Davis, Carl  
Sybold, Robert McCord, Jimmie  
Larkin, Kenneth Beard, Loren  
Hanson, Emerson Parmenter, Tom  
Kendall, Elwood Hanson, Leo  
Martin, Fred Parmenter, Elwin  
Bice, Tom Settle, Harry Kendall.  
Paul Schaffner, Raymond Hobbs,  
Warren Fuller, Donavon Schow-  
alter, David Ward, Walter Hill,  
Norman Mather, Braddo Whitney,  
Robert Catto, Dudley Campbell,  
Avery Franklin, Edward Kilpatrick,  
Howard Roberts, Jimmie  
Drake, Phil Born and Merton Hill.

## Smallwood, Hamilton Chickens Score High

Hens from the B. S. Smallwood  
poultry yard continue to take high  
honors at the Chaffey trapnest sta-  
tion and for the season to date his  
hen No. 194 is leading with 78  
eggs. This season opened Septem-  
ber 26. Mr. Smallwood's pen, with  
212 eggs, was fourth high for the  
month, and this pen is third high  
for the season with 642 eggs.

A hen owned by H. B. Hamilton,  
producing 26 eggs, was tied for  
second place for the month's hon-  
ors.

W. H. Froelick and his brother,  
J. C. Froelick of Enterprise, Kan.,  
who is visiting here, spent Friday  
in Los Angeles.

Mr. and Mrs. C. G. Wheeler of  
Third avenue will go to Pasadena  
to spend New Years day with Mr.  
Wheeler's brother, Fred Wheeler  
of Wisconsin, who is spending the  
winter in the southern city.

Miss Ada Pogue, who arrived  
from Toronto, Canada, shortly be-  
fore Christmas, is the guest of her  
aunt, Mrs. C. E. Gamsby, San An-  
tonio Heights. She expects to re-  
main about two weeks longer.

## RILEY TO BE HERE EARLY NEXT YEAR

Republican Candidate For  
Governor Is Planning  
"Old Time" Drive

Every city, town and hamlet of  
Southern California will have its  
taste of "old fashioned" politics  
during the 1930 gubernatorial cam-  
paign. This was determined in  
Los Angeles and announced today  
when State Controller Ray L.  
Riley, candidate for the Republican  
nomination for governor, made  
known plans for a tour of the  
southern section of the state.

The tour contemplates frank  
discussion with voters, torch light  
parades and Riley rallies. During  
his flying jaunt, Riley will be ac-  
companied by his secretary, Clem  
Whitaker, and leaders in each sec-  
tion of the state he visits.

Riley and his party will be in  
Upland soon after the first of the  
year. Speaking dates for Upland  
and other nearby communities  
are being tabulated in the Los An-  
geles City headquarters at Room  
406, Washington building.

The state controller, first gub-  
ernatorial candidate, to throw his  
hat into the ring, plans a campaign  
built around the issue of whether  
or not California governmental  
expenses shall continue to increase.  
"During the last 12 months,"  
said Riley, "the overhead of Cali-  
fornia state government has shot  
up no less than 20 per cent. The  
population has not increased ac-  
cordingly."

## Happy News Comes of Former Upland Family in North

A letter just received by Mrs.  
E. M. Titus will be of particular  
interest to many friends here of  
the N. H. Jouchin family, form-  
erly residents of Upland.

Mrs. Jouchin wrote from Libby,  
Mont., where she and Mr. Jouchin  
and their son Carlton reside, the  
father and son being extensively  
interested in the cattle and meat  
packing business, Carlton being  
secretary-treasurer of the Pioneer  
Packing company.

Their home is in the mountain-  
ous country and Mrs. Jouchin ex-  
plained that she was writing at 8  
a.m. and it was still quite dark.  
She also quite carefully explained  
that although the snow was  
then 34 inches deep and that they  
reached the neighbors' homes and  
the downtown stores by walking  
through snow tunnels scooped out  
with shovels, the walls in places  
being as high as their heads, still  
the weather was not cold. It does  
not really become cold, she says,  
until in January and February,  
when for a week or two the tem-  
perature falls as low as 20 and  
even 40 degrees below zero.

Mr. Jouchin, according to the  
letter, has taken up a hobby, the  
raising of beautiful flowers, and is  
gaining fame as an amateur flor-  
ist.

The daughter of the family, Vir-  
ginia, is head of a department in  
a large store in Seattle.  
According to the tone of the  
letter, Mrs. Jouchin is keenly alive  
to the pleasures of her surround-  
ings and is enjoying life in her  
northern home.

## HOLDING OF STORM WATERS IS AIM OF NEW ASSOCIATION

All Water Companies Asked  
to Unite in Cucamonga  
Basin Project

AGREEMENT IS READY

Sub-Committee Reports Last  
Night and Tentative  
Group Formed

Seeking to bring about the united  
forces of the water companies  
in this district for the conservation  
of flood water and the replenishing  
of the underground water sources,  
the Cucamonga Basin Protective  
association is today a tentative or-  
ganization. If the agreements and  
bylaws are approved by the water  
companies, the organization will  
then become permanent and a com-  
prehensive program of water con-  
servation will follow.

Headed by George G. Laidlaw,  
a sub-committee, which has been  
studying the matter for several  
weeks, reported at a meeting of  
the general committee in Alta  
Loma last night. Copies of the  
agreement and the bylaws will be  
sent to all the water company of-  
ficials and in a short time a gen-  
eral meeting will be held for dis-  
cussion of the situation.

There are to be nine directors  
and the annual meeting of the or-  
ganization is to be April 1, provid-  
ing the association is formed as at  
present outlined.

"It is deemed desirable to enter  
into some arrangement with the  
object of replenishing the under-  
ground water sources of the ter-  
ritory and protecting the waters  
therein contained from any un-  
lawful exportation and for pro-  
tecting property from flood dam-  
age," reads a clause in the tent-  
ative agreement as explaining the  
purpose of organizing.

The territory referred to is what  
is commonly called the Cucamonga  
basin.

"It may become desirable or ne-  
cessary to protect the watershed  
tributary to the territory, and to  
plant trees and shrubs and con-  
struct fire breaks and patrol the  
watershed during certain seasons  
of the year, and to acquire or lease  
rights and lands for the subter-  
anean storage, spreading and con-  
serving the water and protecting  
property from flood damage," con-  
tinues the part of the tentative  
contract concerning purposes of  
the organization.

A common fund is to be created  
for the purpose of financing such  
projects as are deemed necessary,  
according to the tentative docu-  
ment, but the amount to be asked  
of each member is not to exceed  
\$1 per acre foot of water extract-  
ed by each member during a year.

Installation of water conserva-  
tion works, including the construc-  
tion of dams, ditches, cuts, ob-  
structions and any other work that  
may be deemed necessary to re-  
tard and sink into the ground as  
much as is possible of the run-off  
waters from the mountains in or-  
der to replenish and maintain the  
supply of water in this basin, which  
is now being rapidly depleted.

## MENNONITES WILL CONVENE TONIGHT

L. J. Horsch Re-elected Head  
of Congregation; Annual  
Dinner Planned

Two hundred members of the  
Upland Mennonite church are ex-  
pected at the annual dinner of the  
organization at 6:30 o'clock ton-  
ight. This will be a social gath-  
ering, and follows the congrega-  
tional business session held last  
Thursday.

L. J. Horsch was re-elected pres-  
ident of the congregation in the  
Thursday meeting and Henry  
Horsch was chosen vice-president.  
Miss Linda Schmidt will act as  
secretary, with M. J. Teuscher,  
trustee, and Arnold Hostetler,  
deacon. Mr. Teuscher and Mr.  
Hostetler were elected for three-  
year terms.

Much interest is being shown in  
the meeting tonight. Arrange-  
ments are in charge of the S. O.  
circle and music will be furnished  
by Lillian Widmer and Melvin  
Voigt. Following this meeting,  
the group will adjourn to the Pres-  
byterian church for the watch  
night services, being participated  
in by the Mennonite, Presbyterian  
and Methodist churches.

## C. F. Eppler Busy on Ontario Houses

C. F. Eppler is not concerned  
much today about the "slump" or  
conditions that are reported to be  
causing the curtailment of activi-  
ties.

He has under construction two  
houses on Holmes avenue, Ontario,  
and yesterday he received a con-  
tract for the construction of an-  
other house on that avenue.

During the eight years Mr. Ep-  
pler has been in Upland, he has  
been busy every day, and his pros-  
pects are that he will be busy for  
some time.

Through a recent trade deal, Mr.  
Eppler owns a house on Second  
avenue, near Eleventh street, in  
the W. A. Strong tract, and Mr.  
Strong is owner of Mr. Eppler's  
house on Euclid avenue near  
Twelfth street.

## MISS STONE IS SPEAKER SUNDAY

Presbyterian Audience Hears  
Story of Young People's  
Work of Church

Telling of her work as associate  
director of young people's work on  
the national board of education of  
the Presbyterian church, Miss  
Janet Stone, daughter of Dr. and  
Mrs. R. C. Stone, was the speaker  
at the services at the Upland Pres-  
byterian church Sunday morning.  
Miss Stone, whose headquarters  
are in Philadelphia, is spending  
the holidays here with her par-  
ents, stopping off from a tour of  
the states in which she is explain-  
ing and furthering the plans of  
the board for the work among the  
young people of the church.

Miss Stone possesses an attract-  
ive personality and a pleasing man-  
ner of speech and because of her  
own enthusiastic interest in her  
splendid work, she easily inspires  
interest and enthusiasm in her  
audience.

The purpose of the young peo-  
ple's department is not so much  
to direct the boys and girls, ex-  
cept in an advisory way, as it is  
to encourage them to self-expres-  
sion and development of their  
higher impulses and ambitions in  
their own individualistic way.  
With competent leaders and com-  
panions, it is the aim of the di-  
rectors of the work to instill in  
the youthful minds the great value  
of tolerance and co-operative fel-  
lowship, the fore-runners of world  
fellowship. Miss Stone has caught  
the vision of the ever-widening  
scope of the work she has under-  
taken and is earnestly and joyous-  
ly carrying forward.

The scores of Upland friends of  
Miss Stone, especially those of her  
father's church who feel a particu-  
lar and somewhat proprietary in-  
terest in her and her work, took  
great pleasure in hearing her speak  
Sunday.

There is no vacation for Chaf-  
fey basketball players. Two games  
are scheduled for Friday, Jaysee  
playing at Redlands and Hunting-  
ton Park coming to Chaffey. Both  
are practice games.

Riverside high is coming here  
next Tuesday in the first game of  
the new quarter. San Bernardino  
will be met January 17 at the  
county seat. Prospects are bright  
for the local quintets.

## Basketball Practice Games Are Scheduled

There is no vacation for Chaf-  
fey basketball players. Two games  
are scheduled for Friday, Jaysee  
playing at Redlands and Hunting-  
ton Park coming to Chaffey. Both  
are practice games.

Riverside high is coming here  
next Tuesday in the first game of  
the new quarter. San Bernardino  
will be met January 17 at the  
county seat. Prospects are bright  
for the local quintets.

## Miss Marian Holden Expected Home Today

Miss Marian Holden, daughter of  
Mr. and Mrs. V. Wade Holden and  
student at U. C. L. A., is expected  
home this afternoon from Asilo-  
mar, where she has been attend-  
ing a Y. W. C. A. conference.

Miss Holden is a member of the  
National Council Board and in  
company with other board mem-  
bers and officials of Los Angeles,  
she left Friday for Asilomar to  
attend the several days' confer-  
ence.

## Canyon Visit Costs Trio \$80 in Fines

The visit to upper San Antonio  
canyon Sunday by three persons  
was costly and today \$85 of their  
money rests in the city coffers.

P. H. Schultz of Harbor City  
was fined \$25; Duffy Pilcher was  
fined \$50, and C. W. Fulton was  
fined \$10 by Judge George R.  
Crane yesterday. Their charges  
were for trespassing and posses-  
sion of liquor.

## MANY FROM HERE TO SEE ROSE FETE AND GRID BATTLE

Changes Made in Time of Start-  
ing and Route to Aid  
Traffic

DRUM CORPS TO FEATURE

Beautiful Procession Will  
Display Thousands of  
Blooms, Colors

Hundreds of Uplanders are go-  
ing to see great things in Pas-  
adena tomorrow.

They will see ten million fresh  
blossoms, 100 lavish floats, 80  
rose-decked automobiles, 30 gaily-  
garbed bands and 500 of Southern  
California's prettiest girls.

For the first time in eight years  
the route and time of the annual  
Tournament of Roses mid-winter  
fete have been changed.

## Happy New Year to You

The last of the turkey is gone—even the turkey hash and the cold dressing. The turkey soup has been warmed up for the last time—and the gay tinsel wrappings have been thrifly wound up and stored away for emergency, likewise the pretty ribbons and attractive boxes in which the Christmas presents came. The Christmas gifts we did not need have been carted back to the store and exchanged for something we really ought to have, while the really impossible ones have been stored away to be awarded as bridge prizes later on. It was a Merry Christmas—a happy time, and the holiday spirit has prevailed on all sides.

And now tomorrow is New Year's day. The old year is on its last legs—feeble and wobbly from age, while the new youngster is being born and will soon be wiggling and squirming as all infants do; soon to gain its full vigor and strength and pass on as do all years and all humans. The people of our country and state have had much for which to be thankful during 1929 and can look forward to 1930 with happy anticipation. While in many parts of the world the past year has been marked by stormy turbulence, nearer home it has been different. California has gone steadily onward. Crops and prices have been good. There have been minor troubles, of course, but in the main it has been a prosperous and constructive year for California.

And we folks here in Upland are in one of the most favored spots of this wonderful state. Our people as a whole are happy and contented. We have a wonderful little city in which to live—and among people who rank high as to citizenship and sociability. We have about all the things which go to make people happy—and very few of the opposite. We can look forward to another year with happy and pleasant anticipation.

As 1929 is rapidly drawing to a close and 1930 is upon us The Upland News personnel expresses its appreciation for what it means to us to live in a community and among people of this kind. With all sincerity we appreciate your friendship and your patronage. We realize that a newspaper has a peculiar duty to perform in a city and it is our earnest endeavor to give Upland and community the kind of a newspaper it deserves—one of the very best.

We also extend our heartiest good wishes to you all for the most happy and prosperous New Year you have ever experienced.

## The Small Town's Opportunity

Aided by a comprehensive city building plan, the small community has a better opportunity for sane growth and healthful living than the metropolitan centers, says the Hemet News.

One of the main features of a "comprehensive plan" must be a street system that provides for future growth. In many small American cities and towns streets are narrow and poorly surfaced. Few of them can be used as through routes. Upkeep is costly and a continual drain on the city's finances.

The small town has the advantage of being able to correct deficiencies in its street system without exorbitant expense. By beginning now it can avoid pitfalls of traffic congestion that are an apparently insoluble problem in many of our great centers of population. By using low cost paving materials it can, at a reasonable figure, salvage old streets and secure maximum service from them at a minimum of upkeep expense.

The cities of the future are the small towns of today. They should begin now to provide for their development.

The film censorship in England is going to be tightened up. The home secretary has issued a memorandum that aims to keep children away from films inciting to immorality and crime. The memorandum recommends that children under 16, unless accompanied by a parent or guardian, should not be allowed to see certain classes of films. A warning notice will be flashed upon the screen before such pictures are shown and the children must leave unless they are accompanied. The problem of placing the right kind of pictures before the young people of the world is a big one. Undoubtedly many opinions are formed by the young when they see moving pictures that are not for the best. During this period when they are most easily influenced, too much care cannot be exercised in seeing that the children and youth see and hear the proper kind of movies.

The present year will close with a record of approximately 30,000 persons killed throughout the United States in motor vehicle accidents, according to figures from the National Safety Council. An increase of more than 7 per cent over the 1928 death toll is indicated in this toll. In Southern California it is believed that the percentage of increase in deaths will run higher than the average of the nation. This may be attributed in part to the fact that visiting motorists by the thousands are using the highways in this section the year around in addition to the 1,000,000 cars operated by residents.

They say stocks are worth ten times what they actually earn. Figured at the same ratio, we know a lot of fellows who can still be considered worth nothing.

The woman with a swell new dress on don't care if the concert is somewhat dull. It affords a better opportunity for the audience to look her over.

Remember! It's better to make some good New Year resolutions even if you can't live up to them during the whole year. You'll at least not break them for a few days.

A lot of young people apparently never have a serious thought until they get married. After that they have plenty of 'em.

## What Nearby Editors Have to Say

Claremont Courier: Interurban street cars took away local passenger traffic from the railroads near metropolitan centers and trucks absorbed the freight and express business. The automobile also made street cars unnecessary in suburban towns, as witness abandonment of street cars in Pomona. Now also busses and autos are cutting into interurban street car service, as for instance, abandonment of the orange empire trolley trips through Claremont to San Bernardino and Redlands. However, in this growing section, the constantly increasing population keeps street car service at a satisfactory level.

Chino Champion: Henry Ford says that wages ought to be higher and goods cheaper. We agree with this and let us add that we think it ought to be cooler in the summer and warmer in the winter.

North Hollywood Press: It is now the citrus growers in the Pomona valley who are praying for rain. But since it is only the prayers of the righteous that shall be answered there is no assurance of rain in the citrus belt. The San Francisco performance may not be repeated.

Hemet News: Uncle Sam fired a West Point cadet for getting married. Apparently the military authorities do not believe that a boy should take up matrimony until he has learned how to fight.

## Letters to The News

We believe the following communication will strike a popular chord with most of our people, as we are sure, judging by comments we have heard at different times, that while Upland people very much appreciate hearing the singing of Christmas carols they would enjoy them much more before midnight instead of during the early hours of the morning.

The following came to us without the writer's signature:

Dear Editor,—An item in your last issue was of special interest to me. One of the church organizations sang their carols before midnight instead of during the early morning hours. How much it would be appreciated if other organizations would follow that precedent next year. We all enjoy the carols, but most of us spend busy days in preparation for Christmas and we are very tired Christmas eve, and to be awakened from sleep at hour intervals all night until six in the morning does not produce a mood in keeping with Merry Christmas. Those who are ill certainly should not be disturbed after midnight—neither should many other people who feel the same that I do. How do you feel about it?—A Reader.

## Mistakes Costing State Huge Sums

Incorrect, improper or illegible addresses on applications for renewals of motor car licenses cost the state of California more than \$3000 every year in extra postage charges, the division of motor vehicles announced this week in Sacramento.

The high cost of carelessness does not end with the postage, it was explained, since the time of several clerks engaged in straightening out the errors must be charged against it, as well as the monetary loss to the motorist himself, who is likely to be embarrassed by his failure to obtain his license plates.

Regulations governing license renewals require that the motorist write or print any change of address on the registration certificate when making application, so that his plates may be mailed to him without delay.

## Six Babies Arrive Within Five Days at Local Hospital

Six births in the past five days at the San Antonio Community hospital have marked an increase in the population of the community.

## State Picnics

The annual picnic reunion of the Idaho and Utah people in Southern California will be held all day Saturday, January 11, in Sycamore Grove park, Los Angeles. All the picnic attractions will be offered, including the county headquarters and registers, hot coffee and badgers. Carry your basket dinners or buy lunches in the park.

## Mrs. Clougher Dies in Pomona Dec. 28; Funeral This P. M.

Mrs. Sarah Jane Clougher, well known resident of Upland, died at 5 o'clock Saturday evening, December 28, at the home of Mrs. Annie E. Conklin, 145 Piedmont street, Pomona. She had been in ill health for several years, but her recent critical illness was of only a few weeks' duration, she becoming suddenly ill while in Pomona and being cared for there until death relieved her suffering.

Mrs. Clougher, who was born in Ireland, was 69 years old and despite the handicap of poor health she maintained a keen interest in life and was active in church affairs. She was a member of the Upland Presbyterian church and of the Ladies Aid society. She also was a member of the Eastern Star.

Mrs. Clougher is survived by a son, B. H. Clougher, of Turlock, and two grandsons, also of Turlock, and four brothers, W. H. Monroe, West Ninth street, with whom she made her home; A. N. Monroe and J. F. Monroe, all of Upland, and W. M. Monroe of Long Beach. Another brother, Sam Monroe, died last December.

Funeral services were held this afternoon at 2:30 at the Stone funeral parlors, the service being conducted by Dr. R. C. Stone of the Presbyterian church. Interment took place in the Pomona mausoleum.

ty served by the hospital. Of the six new babies four are girls. The proud parents of these youngsters are: Geo. W. West, San Antonio Heights, a girl, born Monday, December 30.

Mr. and Mrs. Harold Webster, Ontario, a girl, born this morning.

Mr. and Mrs. Walter Gear, West Sixteenth street, a boy, born Monday.

Mr. and Mrs. Stanley Holmes, East State street, Ontario, a girl, born Friday.

Mr. and Mrs. Joseph Kramer, Chino, a girl born Saturday, December 29.

Mr. and Mrs. Walter Rober, Chino, a boy, born Friday, December 27.

## STORY OF LIFE OF LIVINGSTONE

Motion Pictures Shown Sunday at Church Draws Large Crowd

To see enacted true scenes from the life story of the great English explorer and missionary, David Livingstone, was the privilege on Sunday night of a large audience that gathered in the Upland Presbyterian church.

Following devotional service conducted by the pastor, Dr. R. C. Stone, three reels of the six-reel picture were shown, the other three to be shown next Sunday night.

With the exception of a few preliminary scenes showing Livingstone's childhood and the home influence surrounding him during his youth and up to the time when he gave up his life of comparative ease and culture to spend his days in the unknown wilds of darkest Africa, the picture was made in Africa on the very ground where he lived and worked.

Blazing trails across the continent, opening up new trade routes for the British and establishing missionary posts among the savage natives, the daring Livingstone traversed 29,000 miles of the jungle and desert, braving many dangers and undergoing great hardships.

It was during his work in Africa that he met and married the daughter of a fellow missionary. For ten years she shared with him the precarious life of an African explorer, but for the sake of their three children and their education she returned with them to England, the closing of the third reel bringing the story up to the point of her decision to go to England.

The three reels to be shown at the church next Sunday will tell of some of the most dramatic incidents in the life of Livingstone.

## ROTARY HAD GIRLS AS GUESTS TODAY

Janet Stone, "Daughter of Upland Rotary," Told Interesting Experiences

Today's meeting of the Upland Rotary club at The Sycamores was another big event in the history of the club, the girls—of various ages—being their guests. Bob Henderson had charge of the program and called on Attorney Edward E. Gray to welcome the club's guests, who stated among other appreciative words that never were our ladies more idealized than today.

To make a short response Mr. Henderson called upon Mary Graber, who holds the highest rank of any Girl Scout in this community, that of the Golden Eagle. The chairman stated he considered Miss Graber the ideal of the true American girl.

Miss Janet Stone, daughter of Rev. and Mrs. R. C. Stone of this city, and who has wonderful success in her work with girls throughout the country, was introduced by Mr. Henderson as "the daughter of the regiment" so far as Upland Rotary is concerned. Miss Stone gave the principal talk of the meeting "in a rambling way," as she stated. She is well remembered by Upland Rotarians as the "Goddess" on the night the club was granted its charter. Her experiences were related in an intensely interesting manner. Her remarks of appreciation to the Rotary club were highly appreciated—and Upland Rotary is proud of the accomplishments of this "daughter of Upland Rotary," as are all other Uplanders.

The meeting was enjoyed alike by Rotarians and guests.

The scenes are all very realistic, showing many of the natives, and the picture is intensely interesting.

## Alta Loma Rancher Dies From Infection

John Hamilton Lewis, prominent orange and lemon grower in this district, and resident of Ontario for 25 years, died at the San Antonio Community hospital yesterday afternoon as the result of being poisoned through an infection on his face.

While he lived in Ontario of his large citrus holding in Alta Loma, the Valley ranch at the head of California avenue. Mr. Lewis was one of the directors of the Upland Growers, local organization of Mutual Orange Distributors.

## Local News Briefs

Mr. and Mrs. A. L. Moore and daughter Jean spent Monday visiting in Los Angeles.

We frame more pictures every day.—Manker & Benson, Inc. 60-ft

Mrs. Cless D. Grier spent today in Los Angeles buying in the wholesale houses for her shop on East Ninth street.

Mrs. Effie M. McKinley of Morris, Ill., sister of Mrs. Charles A. Barr, is visiting here at the Barr home on Euclid avenue.

Mrs. Elizabeth Johnson has gone to Fullerton, where she will remain until after New Year's as the guest of Mrs. R. E. Van Ness.

Mr. and Mrs. Ernest Fischer are enjoying a visit during the holidays with Herman A. Fischer and Mary E. Fischer, brother and sister of the Upland man. The visitors have been taken on sightseeing trips throughout the southland.

Robert Beard has been given a building permit for the construction of a wood frame building for a garage and chicken house. The structure is to cost \$500.

Mr. and Mrs. W. F. Naftel will spend New Year's day in Long Beach, where with a number of other relatives they will be dinner guests of Mr. Naftel's parents, Mr. and Mrs. W. J. Naftel.

Mr. and Mrs. Robert Ruedy and Mr. and Mrs. Barnett B. Miller came out from Los Angeles on Christmas day and were dinner guests of Mr. and Mrs. Charles Ruedy of East Ninth street.

Many attended the Iowa supper in Los Angeles Saturday night and those from Upland and other parts of the West End were Mr. and Mrs. J. B. Ford, Mr. and Mrs. Ray R. Ford and son, Robert, Mr. and Mrs. F. H. Dicking, Mr. and Mrs. Walter W. Horak.

Mr. and Mrs. Bruce L. Moore, who have been staying in Yuba City for the past three months while Mr. Moore was engaged in the annual inspection of fruit, are returning to their home in Upland and are expected within a few days.

Mrs. Harry G. Phelps, San Antonio Heights, had as her guests Friday Mr. and Mrs. Ray Brown of Glendora and Mr. and Mrs. Ed Curley of Alhambra, and Mr. Phelps' mother, Mrs. Mary V. Phelps, who resides next door. Mrs. Brown and Mrs. Curley are cousins of the senior Mrs. Phelps.

Mr. and Mrs. C. D. Daniels and son and daughter, Raymond Daniels and Mrs. Clifford Boyd, and niece, Miss Italia Morgan, made an enjoyable trip up Mr. Wilson Sunday. Returning home late in the evening they came by Pasadena and saw the mile of beautifully lighted Christmas trees.

Mr. and Mrs. W. F. Naftel and son Eldon, and Mr. and Mrs. N. H. Garrison will be in Long Beach tomorrow at the home of Mr. Naftel's and Mrs. A. M. Naftel. Robert Naftel, son of the local couple, will be in Pasadena to see the rose parade and football game.

## MAILINGS HERE AID IN BUILDING CITY

Upland Postmaster Points Out That Buying Stamps Elsewhere Is Burden

Practice of some local firms in buying advertising material and postage outside of Upland and mailing the material here is not restricted to Upland alone, L. N. Kirk, postmaster, said today.

He received an article this morning from Pasadena, which carried the report that a similar practice is being followed by some firms in that city.

"Outlaw mail," is the term applied by the Pasadena postmaster, W. F. Knight to the thousands of letters and circulars ostensibly sent out by Pasadena firms, the postage of which is bought elsewhere," reads the article.

Mr. Knight says that "this deplorable practice, chiefly of branch houses," is keeping the Pasadena office out of the next higher class. Mr. Knight said that the "outlaw mail," runs as high as \$5,000 to \$10,000 pieces a day.

Under the provision of the law, postoffices are classified, and the funds for their operation are based on the postal receipts of each individual office, according to Mr. Kirk. The offices are required to depend on their own revenues in determining the amount of service it renders the community, he explained.

Mrs. Gerber Passes  
Away This Morning

Succumbing to a lingering illness, Mrs. Catherine Gerber, 74 years old, died this morning at the family home at 540 West street.

Mrs. Gerber had been a resident of Upland for seven years and had many friends here. Members of the family surviving are her husband, Samuel B. Gerber, and five daughters, one living at the Upland home, one in Pomona and one in Fillmore, while two reside out of the state, one in Arizona and one in Nebraska.

Arrangements for the funeral service are awaiting word from the daughter in the east. The Stone Funeral Parlor is in charge.

Mr. and Mrs. J. Emory Sargent and their son-in-law and daughter, Mr. and Mrs. Fay Batten of Las Palos and children, will be in Pasadena tomorrow to see the Tournament of Roses parade.

Mr. and Mrs. George W. West, Hillcrest Terrace, San Antonio Heights, are the parents of a pretty daughter, born Monday, Dec. 30, at the San Antonio Community hospital. The baby weighed seven and three-fourths pounds and has been given the name of Patricia Joan.

## Mrs. Atchley Proud of Cousin

Mrs. William Atchley will have more than ordinary interest in the U. S. C.-Pittsburgh game tomorrow. Ernie Pinkert, who is shown in the left here, and who will perform for the Californians, is a nephew by marriage. Pinkert hails from San Bernardino and he entered U. S. C. as a married man, taking to the campus Beatrice Stanley, Mrs. Atchley's niece. Harry Edelson is the other ball-toter shown in the picture.

## UPLAND POLICE TO AID WITH SAFETY

State Campaign Planned For 1930 to Eliminate Traffic Accidents

Upland police will cooperate in a determined, systematic and consistent state-wide drive for safety in traffic during all of 1930.

According to the California Committee on Public Safety, an

important part of next year's work is a "home safety campaign," which is being sponsored by 1,600 Parent Teacher associations having a combined membership of 160,000 members. This campaign is under way and will be pushed vigorously, according to Mrs. R. L. Cardiff of the State Congress of Parents and Teachers, who is a member of the executive committee of the California Committee on Public Safety.

Miss Margaret Morris went to Los Angeles Monday morning to be the guest of her friend, Miss Ura Louise Welch, who formerly lived in Upland.

## NEW FORDS BEING SHOWN UPLANDERS

**Puckett Company Displaying All New Styles and Changes in Cars**

Additional new features in the new car are being demonstrated at the Charles E. Puckett company showrooms, East A street, Ontario, and the new cars will be on display all this week.

Madred R. Puckett, proprietor, emphasized the fact that no new model has been brought out. Mechanically the car is essentially the same. While new features, such as wheels and a new combination steering wheel, black and polished with a high luster, with four knobs underneath the rim, have been added, all the standard features have been retained.

The most notable changes in the design of the model A Ford have been made in the Tudor sedan coupe and in the open car. Mrs. Puckett said.

The Tudor sedan has been the popular of the five passenger models, she continued. "The new design will bring to it additional beauty and the new choice colors is certain to make it more popular than ever, particularly to women drivers.

More room will be provided for occupants of the rear compartment. Access will be easier and the folding seats in front exterior appearance of the car will be much improved. It still retains the crown roof effect rounded corners on the rear fender, the beauty of which will be accentuated by an entirely new body belt and molding treatment.

The coupe, too, will be entirely new in design. It will have a new roof line. French roof quarters will emphasize the low effect of the long lines of the new styling treatment. A panel effect carried out by the molding on rear deck will add much to the appearance of the car.

Lowering of the roof line will bring any loss of head room aside and driving will be made more comfortable by an adjustable seat, which may be moved forward or backward to suit the driver's convenience.

The sport coupe, which will have a rumble seat as standard equipment, will have all the lower lines of the coupe. The sport treatment will be carried out above the belt line, as heretofore. The roof line will be lower, also, and in the car, too, driving comfort will be improved by the installation of adjustable seat. The same treatment will be extended to the convertible cabriolet.

The two open cars, the phaeton and the roadster, are entirely new design, with long, lower lines and more beautiful appearance."

## Bethany Ladies Aid Plans For Dinner On New Year's Day

Planning for the community New Year's dinner was the principal item of business considered by members of the Bethany Union society when they held the annual all-day meeting at the church today.

The social hall of the church still is gay with Christmas decorations and added to the pleasant cheeriness of the meeting. The morning session opened at 11 o'clock and was followed by noon luncheon. In the afternoon the business session was held and plans completed for the New Year's dinner, which will be given at noon Wednesday. There will be a short musical program, including community singing, and an address will be made by Dr. Bert Foster. The principal speaker on the program will be Isaac I. Friesen, Rosthern, Canada, who is conducting a series of meetings at the church.

The Aid members enjoyed a brief impromptu program and rehearsed several songs selected for the New Year's dinner program. It is expected that at the next meeting of the society the committee in charge will be ready to meet the proposed cost for the dinner which the Ladies Aid will have in the near future. Mrs. H. Kuhlman, although having recently moved to Wineville, is taking an active part in preparations for the play and will carry a leadership role.

## Picture of Veteran To Be Seen in Bank

At the request of the board of directors of the First National bank, A. Podrasnik had his picture and today the photograph, in an attractive frame, is in the hands of the bank. Mr. Podrasnik, president of the bank and recognition of his many years' service to the bank and community, the picture will be placed permanently in the directors' room of the organization.

Why didn't you speak to your wife for a whole year? Prisoner—I didn't want to interfere.

## Hills to Have Part in Beach Picnic

What is called an "Old Timers' picnic" is going to be held at the Dr. M. E. Hill cottage at Laguna Beach tomorrow. Friends of many years ago at Garden Grove and relatives will be at the beach for the day.

Dr. and Mrs. Hill and family will leave here tomorrow morning.

## Legal Notices

### CONSTABLE'S SALE

By virtue of an execution issued out of the Justice's Court of Ontario Township, County of San Bernardino, State of California, dated the 11th day of December, A.D., 1929, in a certain action wherein H. C. Naylor as Plaintiff, recovered judgment against C. M. Rubidoux, also known as Christopher M. Rubidoux, as Defendant, for the sum of \$170.00 lawful money of the United States, besides costs and interest, etc., on the 19th day of November, 1929, I have levied on the following described property, to wit:

"Portion of Lot 518, Ontario Colony Lands, in the City of Upland, County of San Bernardino, State of California, as per plat recorded in Book 11 of Maps, page 6, records of said County, described as follows:

Beginning at a point 440 feet North and 415 feet East of the Southwest corner of said Lot; thence North 180 feet to a point 7.8 feet South of the North line of said Lot 518; thence East 55 feet; thence South 180 feet to West Street so-called; thence West 55 feet to the point of beginning."

Notice is hereby given that on Wednesday, the 8th day of January, 1930, at 10 o'clock a.m., of that day, at 126 North Second Ave., City of Upland, County of San Bernardino, State of California, I will sell all the right, title and interest of said defendant in and to the above described property, at Public Auction, for lawful money, to the highest and best bidder, to satisfy said execution and all costs.

Dated at Upland, the 16th day of December, 1929.

J. F. SAWYER,  
Constable of Upland Township.  
63-3TO

## How and when to go-- Tournament of ROSES

**PASADENA New Year's Day**

*(Save this for use on New Year's Day)*

**Parade**  
This famous floral spectacle starts at 10:30 a.m. from Colorado St. and Orange Grove Ave., Pasadena.

**Football Game**  
University of Southern California vs. University of Pittsburgh at the Rose Bowl Stadium in Arroyo Seco. Game starts 2:15 p.m.

**Train Schedule**  
Extra through Pacific Electric Trains leave Upland at 8:10 and 8:15 a.m.

**Low Cost**  
Low Pacific Electric round trip and one way fares make the Red Cars the most economical means of transportation. You save parking fees, also.

**Carefree Comfort**  
By riding the Big Red Cars you avoid traffic and parking worries—reduce nerve strain. And they take you right to the parade route, and within easy walking distance of the Rose Bowl afterwards.

**Go Early!**  
Avoid last-minute congestion by using an EARLY TRAIN.

**Ride the BIG RED CARS**
